## Department Vision

Mould socially responsible, ethically strong and technically competent electrical and electronics engineers

## Department Mission

M1: To educate, inspire and mentor students to produce quality professionals in the field of electrical and electronics engineering.

M2: To facilitate students to render services to the society through innovations and entrepreneurial activities.

M3: To encourage students to become lifelong learners.

## Editorial Board

Mr. Lineesh A S (Staff Editor)

Mr. Rajeev Hariharan (Student Editor)

Ms. Akshaya M V (Student Editor)

## MESSAGE FROM HOD

I'm delighted to introduce the second issue of the department newsletter titled "EMPOWER" for the year 2023. This newsletter aims to keep us connected, informed, and inspired by highlighting department activities and acknowledges individual contributions.

As the head of this esteemed department, I believe it's crucial to foster communication, collaboration, and camaraderie among our team members. Our newsletter will play a vital role in achieving these objectives by keeping everyone informed, engaged, and connected.

The National Board of Accreditation (NBA) visit is scheduled on 2024. The department is putting sincere effort to get accredited and fulfill all the conditions laid out by the NBA.

I congratulate the editorial board of the department newsletter for their brilliant efforts to bringing out the department newsletter. I convey my good wishes to all the readers of the newsletter.
