NEWSLETTER OF DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Contents

- 01: Message from HOD
- 02: OBE Awareness Programme
- 03: ISTE Talk Series
- 04: Viswasanthi Scholarship
- 05: Faculty Training
- 06: Electrical Maintenance Cell Activities
- 07: Academic Audit
- 08: Inter-poly Arts Competition
- 09: Industrial Visit
- 10: Best Student Award
- 11: Industry Internship Programme
- 12: Tech Fest
- 13: Placements

Department Vision

Mould socially responsible, ethically strong and technically competent electrical and electronics engineers

Department Mission

M1: To educate, inspire and mentor students to produce quality professionals in the field of electrical and electronics engineering.

M2: To facilitate students to render services to the society through innovations and entrepreneurial activities.

M3: To encourage students to become lifelong learners.

Editorial Board

Mr. Lineesh A S (Staff Editor)

Mr. Rajeev Hariharan (Student Editor)

Ms. Akshaya M V (Student Editor)

MESSAGE FROM HOD

I'm delighted to introduce the first issue of the department newsletter titled "EMPOWER" for the year 2024. This newsletter aims to keep us connected, informed, and inspired by highlighting department activities and acknowledges individual contributions.

As the head of this esteemed department, I believe it's crucial to foster communication, collaboration, and camaraderie among our team members. Our newsletter will play a vital role in achieving these objectives by keeping everyone informed, engaged, and connected.

The National Board of Accreditation (NBA) visit is scheduled on September 2024. The department is putting sincere effort to get accredited and fulfill all the conditions laid out by the NBA.

I congratulate the editorial board of the department newsletter for their brilliant efforts to bringing out the department newsletter. I convey my good wishes to all the readers of the newsletter.

OBE AWARENESS CLASS

Department of Electrical & Electronics Engineering organized an awareness Session on outcome based education for the second semester students and their parents. Head of Department Ajay Kumar E P explained the importance of outcome based education and how it enhance our educational practices and ensure the holistic development of our students. NBA coordinator Mr. Arun George explained different aspects of the outcome based education system. The awareness session helped students to get a clear idea about NBA and outcome based education system.

ISTE TALK SERIES

ISTE student chapter in association with Department association has been conducting weekly student talks to discuss latest advancement in science, engineering and technology. The objective of ISTE talk is to explore the innovations and accomplishments in the area of science, engineering and technology

and to improve the presentation skill of students.

VISWASANTHI FOUNDATION SCHOLARSHIP

Fourth semester student Rajeev Hariharan and second semester student Shijul P C got selected for Viswasanthi Foundation scholarship for the year 2024. Congratulations for their achievement.

FACULTY TRAINING

The following faculty members attended faculty training programs conducted by SITTTTR, Kalamassery.

- Layana K A , Neethu Raj Ajith K A, and Lineesh A S, attended a three days faculty development program on “Electric Vehicle Technology – Current Trends and Exchange of Industrial Expertise” jointly organized by SITTTTR, Kalamassery and Government Polytechnic College, Pala from 03/01/2024 to 05/01/2024.
- Arun George and Lineesh A S attended a three days faculty development program on “Power Query to Familiarize CO-PO Tool” organized by SITTTTR, Kalamassery from 09/01/2024 to 11/01/2024.

MAINTENANCE CELL ACTIVITIES

Department maintenance Cell conducted an Electrical Maintenance Day on 19/08/2023 to conduct small electrical works requested by different departments of the college under the guidance of our HOD Mr. AjayKumar E P.

ACADEMIC AUDIT

As a part of Academic Audit for AICTE approved Diploma programs conducted by Institutions affiliated to SBTE Kerala, an expert team under the leadership of Regional Joint Director of DTE, Dr. Solomon P A conducted an academic audit on 26/03/2024 based on the Self-assessment report and supporting documents kept ready by the college.

INTERPOLY ARTS COMPETITION

The department is proud to say that Sreerama Government Polytechnic College is the runner-up of the Kerala Polytechnic College Arts Festival-2024 held at Government Polytechnic College, Kunnankulam. The following students from the department participated in the arts festival.

STATE POLYTECHNIC COLLEGE KALOLSAVAM 2024
